Dear Mr. Breier:

On behalf of the senior citizens of the 42nd Assembly District who attended my *7th Annual Senior Citizen Luncheon* on May 22nd, I just wanted to take this opportunity to extend my appreciation to you for our incredibly good fortune in spending the afternoon with students from the Academy of Hospitality and Tourism..

The 325 seniors that attended the luncheon, our largest crowd ever, enjoyed an afternoon of great food, wonderful entertainment and valuable information. The luncheon offered them a brief respite from the pressures of their every day life. A great time was had by one and all!

Not only did the 18 students work incredibly hard serving the food, but most of all, they interacted so well with the seniors. Not only did they dance, but several of them actually danced with the seniors! And of course, this partnership is so successful as the result of the cooperation, coordination and participation of Kesner Richardson and Carol Petrone. This year was Mr. Richardson first time coordinating the students and he did a superb job enlisting the assistance of so many of your students. Both he and Ms. Petrone are most definitely an asset to the Academy's educational team and the 42nd Assembly luncheon team!

Sincerely,

Rhoda S. Jacobs
